Self Praise.

Self praise is no recommendation, but there are times when one must permit a person to tell the truth about himself. Now to say that ALCOCK'S POROUS PLASTER are the only genuine and reliable porous plaster made, is not self praise in the slightest degree. They have stood the test for over thirty years and in proof of their merits, it is only necessary to call attention to the cures they have effected and to the voluntary testimonials of those who have used them. Beware of imitations and do not be deceived by misrepresentation. Take ALCOCK'S and let no solicitation or explanation induce you to accept a substitute. ALCOCK'S Corn and Bunion Shields, effect quick and certain relief.

of Chamberlain's Colic, Cholera and Diarrhea Remedy, which relieved me at once, and I recommend it to all who may be suffering from this troublesome complaint." For sale by H. J. Peto.

PERSONAL POINTS.

Mr. and Mrs. J. A. Rockefeller are in town.

Prof. Blandy paid Turquoise district a visit yesterday.

Mr. Lochlin is in from his ranch at South Pass. He reports grass four inches high and no damage from flood. Gov. Wolfley took a drive with Mr. M. T. Williams this morning and found Tombstone and vicinity very attractive, as it always is after the face of nature has been washed.

Mr. Fly is so much improved that he is now able to occupy an invalid's chair which was very ingeniously contrived for his benefit by Mr. Graf, and he can be moved about the house. The injured limb is giving him very little pain and he expects shortly to be able to go about on crutches.

Militia Movements.

The militia met last night and organized a social society composed of its members. With their usual gallantry, they resolved to remain "nameless here forevermore" unless the fair sex should come to their rescue and furnish the name for the christening. The following officers were elected: George Myers, president. A. B. Staninger, vice president. H. C. Stillman, secretary. James Hart, sergeant-at-arms. George W. Cheyney, treasurer.

Parties who came in by Last Chance last night, report the road very badly washed in that vicinity, and utterly impassable, teams being compelled to return to town by leaving the road and finding a trail over the hills.

The Bisbee stage which came in last night by way of the San Diego Smelter, was obliged to wait over an hour before being able to cross the arroyo by the powder house.

Owing to the telegraph lines between Tombstone and Fairbank being down the PROSPECTOR does not publish its usual dispatches to-day.

Extra copies of to-night's PROSPECTOR, containing an account of the Bisbee flood, can be obtained at this office. Last night's edition has been exhausted.

"Office for the registration of voters." The above in large black letters, can be read a mile off. Size 12x14 inches only 50 cents each at this office. Send stamps. If

Prof. Loissette's Memory System is creating greater interest than ever in all parts of the country, and persons wishing to improve their memory should send for his prospectus free as advertised in another column. 7-29-11

Don't forget the dance at the City Hall tomorrow.

The honor and integrity of the management of the Louisiana State Lottery Company are now fully established all over the country. All who know anything about it know that the drawings of the company are held with the utmost fairness and all prizes paid fully and promptly. Thousands are ready of their own knowledge to testify to this. The company's present charter has about five years to run. The only question now under consideration is, shall the present charter expire in 1895 by limitation or shall it be extended for another term of 25 years.

The storm of yesterday afternoon was more severe than any that has visited this locality in many a year. One and ninety-three hundredths inches of rain fell in less than an hour, which is more than has fallen in any one storm since the signal service record has been kept here.

Call for Schlitz Keg Beer.

Paul B. Warnke, has this day received a carload of the celebrated Schlitz Keg Beer direct from Milwaukee. This beer has a widely known reputation on account of its

superiority. Mr. Warnke assures all of his patrons that they can depend on being regularly and permanently supplied with the article. He has rented the ice house and store room of the Crystal Palace Saloon, one of the most convenient locations. All orders left at his store will receive prompt attention. 6-16-11.

From the Republican of yesterday: Details of the Conflict.

LONDON, July 29.—The Times dispatch from Buenos Ayres says that President Coleman's police and cavalry suffered terribly in attacking the civilians and troops yesterday.

The provisionals reopened with heavy artillery fire at dawn on Sunday on the troops under Vice President Pellegrini. A terrible mistake occurred during the fighting. The eleventh regiment suddenly turning in favor of the provisional government, approached the artillery, and before they could make their intentions known, they were mowed down in a narrow street. The Minister of War was wounded and the Minister of Finance taken prisoner.

A short armistice was held at noon and an effort was made to stay the butchery. The armistice lasted one hour. At 1 o'clock the ships began firing on the government house.

At 3 p. m. the whole navy declared in favor of the provisional government. The Patagonia is bombarding the government house, and Berana shelling President Coleman's residence. The gunboats command the railways from the north.

Watt & Tarbell received an order from Bisbee to-day for two caskets to be forwarded there. One for Mr. Stevens whose body has been recovered and another for a woman whose name was not given.

Choice seed potatoes, garden grass and flower seeds at Hoefler's. If

Neither freight or ore teams left Tombstone today, owing to the bad condition of the roads.
